Hitesh Malhotra

has successfully completed the online, non-credit Professional Certificate

Palo Alto Networks Cybersecurity

The Palo Alto Networks Cybersecurity Professional Certificate prepares students for entry level careers in cybersecurity, with an emphasis on learning the fundamentals of Networking, Network Security, Cloud Security, and Security Operations related to Palo Alto Networks Technology and the cybersecurity industry as a whole. The Cybersecurity Specialization courses including access to additional resources can be used to prepare for the Palo Alto Networks Certified Cybersecurity Entry-Level Technician (PCCET) examination available through Pearson VUE.

PaloAlto Networks Cybersecurity Academy

James Dalton, Palo Alto
Networks Cybersecurity
Academy

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
